

DaaS Brand Guidelines

Our voice: practical, confident and plain-spoken. We explain what drones do for the customer.

Do: lead with the customer's outcome. Don't: use military language or hype.

Colour palette

Sky Blue HEX #00529B - primary, headings and buttons

Signal Orange HEX #F28C28 - accents and calls to action

Charcoal #333333 - body text

`Typography: Montserrat for headings, Open Sans for body copy.`

Logo: keep clear space equal to the height of the D. Minimum width 24 px. Never stretch it.
